## From the Lodge Adviser

*Roger Mory  
Lodge Adviser*

Spring is just around the corner - I hope. OA elections are in full swing, so if your unit has not held one, check with your OA Troop Representative to get one scheduled.

Be sure to check your calendar so that you don't miss any of the upcoming OA activities. The spring weekends, conclave, and the summer social/picnic should prove to be great events. The officers and committee chairman are planning to make this the most memorable year in recent history. The opportunity for fun, fellowship, and leadership development in the OA are unparalleled.

Your troop calendar is probably getting full and you need to remember that your primary responsibility is to your troop but if you work the schedule you should be able to participate in both. The council, your troop, and the OA all need you so keep in mind your pledge of "cheerful service".

I am looking forward to a fun filled year working with the youthful and energetic future leaders of America. Let's all do our part to "Keep the Spirit Alive in Kittatinny 5".

## Octoraro Lodge 22 to Host Conclave 2003

It has come to my attention that June 13, 14, and 15 are slowly coming upon us. You may ask your self those dates seem so insignificant what ever could they mean. Well I'll tell you what they mean. They are the greatest days of the year. They are the days when Conclave occurs.

Conclave is an annual sectional gathering. The Lodges of NE-4A all meet at a camp of one of the lodges to plan, help each other out, learn new things, get better acquainted, and have a good time. You may have heard that conclave is all fun and games. Well I hate to tell you but it is. There is not one unenjoyable thing to do at Conclave.

This year the NE-4A Conclave will be held at Horseshoe Scout Reservation, hosted by Octoraro

Lodge 22. The theme is "Follow the Arrow - Find The Spirit". If you're looking for a great time, come to Chester County, PA for this year's Conclave.

The cost of conclaving you may ask? Well it is a simple - \$25.00. For this, you get training, competitions, shows, and of course FOOD! We have a limit of 35 spots, so sign up today!

Conclave offers a chance of a lifetime for any Scout and Brother. It offers the chance for you to: 1) get to know your other brothers even better; 2) get to know the other lodges even better; and 3) it gives you the chance to HAVE FUN AND GO WILD.

Make sure to send in your \$25.00 and form to the Council office to reserve your seat.

## 2003-2004 Slate

**Chief** - Bob Cook

**Vice Chief of Admin. (1)** - Alex Hafer

**Vice Chief of Activ. (2)** - Ryan Gebely

**Secretary** - Dave McKeown

**Treasurer** - Jeremy Fisher

The slate is a list of proposed officers for next year who were chosen by a nominating committee. These names are not final though.

Any member may file a petition with at least 15 active lodge member signatures to run for an officer position. Petitions must be turned in at the Council office 15 days prior to the May 18th Quarterly meeting (or at the April Weekend).

If you feel that you are qualified to run for an office, get your petition in. Forms are available on-line. Be sure to go on-line and read the Lodge Bylaws (Article 5-C) for full details about petitioning.

Good luck to all the Brothers running!

## The Chiefs Corner

to those who chose you, your unit. Participate in camp-outs, hikes, meetings, and working with new members.

Now how about the OA? As you know there are 3 weekends a year (April, May, and September) that you can come and help out camp. You can also work on camp staff, or volunteer some of your time just to help the OA summer chief on ceremony nights. You can also join various committees and become involved with helping in ceremonies, in the kitchen, or helping out in the circle. No matter what your preference, there is always something available to you.

I encourage you to become involved. If you have a question or want to be more active call someone in the directory and talk to them. I can not stress enough that this is YOUR lodge. If you have any questions, or problems, feel free to call any of the officers, or chairmen. I hope you continue your service to your unit and the lodge. We'll see you in April.

As I mentioned in the last edition, I will be focusing my articles on Brotherhood, cheerfulness, and service. For this article let's take a look at the word service. Since there are 2 service weekends coming up, this is a good chance to talk about it. Service is one of the major things we pledge ourselves to when we enter the organization. When you took the obligation you made a pledge of service, "to be unselfish in service...to others." Many people forget that part of the obligation, but it is very important to remember. You were elected because of your prior service to your unit and its program. You must continue your Service to the scouting program as well as the order.

So, you are sitting there wondering, as a member, "who do I give service to and how?" As I mentioned before the main goal is to give service

Yours in Service,  
Mike Miller  
Pitkullentsch Nutiket Wyskelenepe

## From the First Vice Chief

**Josh Abramowicz**  
First Vice Chief

**W**OW!!! The April weekend seems really far away; however, in fact, the April weekend is coming up on us pretty quickly. Those of you who were at the September weekend know how much fun we all had. It was only through the suggestions and ideas of others, that we were able to have such a good time.

My point is that we need your ideas to make these events as awesome as they are becoming. Please make an effort to have your voice heard by the LEC (Lodge Executive Committee). Don't be afraid to come to the monthly meetings and tell us what you think would be pretty cool to do on a weekend. You can also write to our chairmen on the internet using [kittatinny5.org](http://kittatinny5.org), not to mention that you can always call any of our officers or chairmen.

There's an old World War 2 poster that depicts Uncle Sam pointing out of the poster (towards the reader), and it reads "We need YOU!" The Order of the Arrow is the same way. Without YOU, there wouldn't be an OA.

To tell you the truth, this is all part of our secret sinister plan to communicate better within the lodge...but don't tell anyone else! OK? We look forward to hearing some cool ideas.

## The Clan Plan

**Mike Miller**  
Chief

**A**t the January Exec. meeting it was brought to the attention of members who were present that some of the clans have begun to disappear. I personally often wonder what has happened to the strong and largely supported beaver clan. As stated in the lodge planbook (1993) the "executive committee shall not make any attempt to run or direct clans." Unfortunately, since 1993, some of the clans have begun to disperse, and now are just there in name, not in service.

The clans are unique to Kittatinny Lodge 5, and date back to the time before the merger. Clans are groups within the lodge that allow the members from all over the council to join, and attend activities and events, and also give service to the lodge.

We are encouraging former members of their clans to show support at the April clan meetings on Sunday morning. The officers will be working with clan chiefs, and possibly getting new chiefs, to replace those who have lost interest.

We hope you attempt to join a clan, or become active in it once again. We do not want to lose this unique lodge organization.

**David Mckeown**  
Publications Chairman

**J**ump Start, part of the national Order of the Arrow web site, is designed for new Arrowmen. This web site will give any new member the information he will need to seal his membership in the brotherhood.

If you're looking for more knowledge, check it out at <http://www.jumpstart.oa-bsa.org>. When going to the site you'll need to enter a password, but no fear the password is easy to get.

The password is the fifth word of the title on

page 10 of your *OA Handbook*. (use all lower case letters, no spaces, no quotes, no punctuation.)

After you enter the password, a world of information will be at your finger tips. The site has a collection of information that any new and even older arrowmen should know. You'll be able to learn about the Ordeal, the Brotherhood, the Program, and the History of the Order.

This site was designed for just about anyone. It's easy to surf around, and find the information you're looking for. Even if you've never played on the internet you'll be able to get the information you're looking for quick and easy. The site was put together very well, and with the most NON-computer person in mind.

I encourage any new brother to take advantage of this. This was made with you in mind. Use the resources you have at hand, and you will go far.

## The Best Summer Jobs Are At HMSR

**Steve Dibler**  
Day Camp Program Director

**D**o you have a job lined up for the summer yet? If you answered no, you're in luck! The best summer job is waiting for you at Hawk Mountain Scout Reservation. We're looking for a few good men (and women, too) to step up to the plate and join the 2003 camp staff.

There are many great reasons for working at camp. The first and foremost reason that you want to work at HMSR is because it's fun! Many loyal scouts and scouters return to work at Hawk Mountain year after year because of this. Being a member of the staff affords you a great opportunity to meet and make life-long friends. Plus, it is the staff's job to plan and run an exciting, adventure-filled program, which, of course, has to be fun.

Another great reason for working at camp is the opportunity to gain some job experience that you can use in the future. At camp, you will learn to work closely with coworkers as well as how to effectively deal with our customers, the campers. Any person considering education as a career can also learn a great deal about teaching while working

at camp through teaching skills. These jobs skills transfer to many careers and are a great way to explore your interests while having a great time.

Besides job skills, working on the camp staff allows you to hone your scouting skills, too. You can become an expert in your program area and impress your scouting friends with the scouting know-how you gained working at camp. Camp also allows you to build strong leadership and communications skills that you can use in your troop or crew outside of camp.

A final reason to work at camp is that it fulfills our Order of the Arrow Obligation to cheerful service. Working at camp provides an important and meaningful service to the scouts and scouters of our area and fulfills an important need in our council. Countless lodge members have worked at camp at one time or another, including all 5 of your lodge officers.

Please thoughtfully consider applying to work at camp this summer. It's the best summer job there is. Applications are available at the Council Service Center and can be mailed to you on request. We hope to meet you soon!

## Kittatinny to Go Western at April Weekend

**T**his upcoming weekend we've got even more fun and games in store for everyone. The last weekend was fun, but it was a little bit unorganized. So, this upcoming April weekend, things are going to be the same, but we're going to try harder to keep you busy.

First off, we're starting the weekend with fun and games inside the Boy Scout dining hall, giving you all sorts of things to do before the Pre-Ordeal ceremony. You'll have plenty of things to do once you arrive, and you won't have to just sit around in your cabin waiting. Later that night, we'll be showing a movie again inside the Boy Scout dining hall. Don't worry, we'll have plenty of popcorn.

The following day, after all the hard work and service, we'll have around an hour for some more fun and games that any brother can join in for. We'll have all sorts of toys out for you to use, so anyone should be able to enjoy it.

Then, the grand finale. Once more, after the main ceremonies, we're going to have a massive crackerbarrel inside the dining hall. Just like before, awards will be giving out to three people for craziest, original, or most fitting costumes. Rumor has it that we'll even have some sort of bull to ride ... guess you'll just have to come to the weekend to check it out. Oh, and of course we'll have root beer floats.

So, after reading all this, there's no way that you can miss this weekend. Sure, I know you'll have to do tons of service as well, but this weekend should be twice as much fun as the last one, just wait and see.

Yours in Cheerfulness,  
Ben Trump  
Activities Chairman  
Klamatchpin Nitis Amemens

## From Flow...

**T**here's so much snow piled up outside the mouth of my cave this winter that the mailman didn't get my last article into Wolf's Tale. Just kidding. Seriously, though, there were so many articles that Dave didn't have space to put my scratchings into print. HOOOOWWWLL!!! That's fantastic! There are so many good things for me to howl about in this month's article that I'm not sure where to begin.

Though it's old news by now, this old wolf would still like to congratulate all of those brave souls who toughed out the elements and kept their Vigils in November. Too bad there wasn't a full moon that night, or I would have howled my approval. Wolves usually aren't into jewelry, but I'm particularly impressed by those fine new belt buckles being sold by Kittatinny, Inc. Though I'm biased, I don't think they could have found a more attractive wolf. I'm going to be sure to add one to my collection.

Lots of hair-raising events are going on in the Order. Service trips to Philmont during spring break and the OA Indian Summer Conference are brand new national events. Plus a revival of the summer social from the olden days is being planned by your lodge officers. With all of these new opportunities, it's an exciting time to be involved in our Brotherhood!

Now that winter is upon us in full force, fight the urge to hibernate! Even though I'm a wolf, I still make it to all the meetings so I know what's going on in my lodge. So take advantage of the many executive committee meetings planned over the winter, and get out there and help in planning the spring weekends. It's not as far away as you think. And the winter is a great time to be as active as you can in your troop. After all, that's what we're here for, right?

I'll be there... Will you?

Your eyes and ears,  
Flow Rebit

**A**lertness to the needs of others is the mark of the Vigil Honor. It calls for an individual with an unusual awareness of the possibilities within each situation.

The Vigil Honor is a high mark of distinction and recognition reserved for those Arrowmen, who, by reason of exceptional service, personal effort, and unselfish interest have made distinguished contributions beyond the immediate responsibilities of their position or office to one or more of the following: their Lodge, the Order of the Arrow, Scouting, or their Scout camp.

Under no circumstance should tenure in Scouting or the Order of the Arrow be considered as reason enough for a Vigil Honor nomination.

Vigil Nomination forms can be picked up at Council Service Center, or you can also download a form off of the Kittatinny web site at <http://www.kittatinny5.org>. The Vigil Candidate Nomination forms must be received at the Council Service Center no later than **April 25, 2003**. NO exceptions.

# From Activities

## Future Activities Planned

Ben and I are brewing up some ideas for the next few OA weekends and the June Family Picnic. For the April weekend you already know we're going West, but for the May weekend, activities plans to throw a Roman toga party, as well as some organized sports during the weekend.

As for the June 8th Family Picnic, activities has teamed up with the VC Bob Cook to bring you a Disco theme, as well as many fun games and activities throughout the entire weekend.

Ben and I are also looking for more ideas for events and weekends. Any questions or comment, contact Ben or Alan. Our numbers are listed in the list above. Your ideas are welcome!

Yours in the Brotherhood,  
Alan Budgeon
