## Chief's Message

It has been one hundred years since the Boy Scouts of America has been created, and what a one hundred years it has been. I hope that every one of us takes the time to celebrate the centennial of such an honored organization with your unit, the council, some scouting friends, or even in your own personal way. Scouting has meant a lot to all of, so please reflect on some of your fondest memories and the friends you have made. The council will be hosting the 2010 Scout Show at HMSR on May 1. This is a great way to share memories and meet new people. The lodge will be providing a 50 person service corp for the event. If you apply, plan on staying the whole weekend (4/31-5/2). We will select staff from the applicants. There is a \$35 fee to be on the lodge service corp, which gets you meals for the weekend, an event t-shirt, and a limited edition lodge flap. Even if you do not serve on the lodge staff, please plan on attending with your units. It is sure to be a memorable event.

We braved a cold winter. The lodge was hard at work with unit elections. Please make sure that anyone in your troop that was elected signs up on time for the weekend that they wish to attend. Thank you to all of our election teams for doing a great job! Also, thank you to everyone who attended our lodge banquet. It went very well, and I hope that everyone enjoyed themselves.

The spring is finally here. The spring brings warmer

weather, budding flowers, and of course... OA

weekends! This spring is shaping up to be a ton of fun at our weekends. We are working on mending our schedules to make weekends more enjoyable for you, our members. Billy has also been working very hard on bringing new and exciting activities to the weekends. We encourage that you all take advantage of these weekends; they are a lot of fun and an excellent way to meet new friends. Going along with making our weekends more fun for everyone is getting your feedback on what you think of them. We are always

open to new ideas for activities and themes at our weekends. Our goal is to make them fun for you. This April, we will also be featuring a Patch Auction to start fund raising for the 2012 NOAC at Michigan State University. It will begin after ceremonies April 17, 2009 during our OA weekend. A number to bid is free if you are attending the weekend, or \$5 if only attending the auction. NOAC is a great experience, and we want to be able to take every member that we can.

I hope to see everyone at a lodge event soon. Our goal for the spring is to, just have fun, so please come out and join us. The OA has many great opportunities; it is up to you though to take advantage of them. Please keep in mind the Scout Oath and Law each and every day.

Yours in Cheerful Service,  
Kyle Dierolf

## The Lodge Banquet 2010!

Another great Lodge event has come and gone. If you missed it, it was filled with fun, fellowship, and of course, great food. Our guest speaker, Joe Marsicano, gave a great speech on how life is filled with doors that can lead to great opportunities. The food was delicious and before the banquet started, everyone had fun talking and viewing patches.

Patches!

Our Lodge guests and our guest speaker: Joe Marsicano, before the banquet began.

## Vice Chief of Admin.

So far I hope everyone is having a pleasant 2010. There are a couple of events worth keeping an eye on. First are the service weekends in the coming months, second is the Lodge Bus trip to New York City coming up on March 20th, and third is the Hawk Mountain Council Centennial Scout Show. The Scout Show will be hosted at Hawk Mountain Scout Reservation the weekend of April 30th. For information about these events visit the lodge website or the council website. The past two months have been very busy for our lodge. We established a budget for the first half of 2010, had a successful LAP visit from the section and hosted our 2nd annual lodge banquet at snowy Hawk Mountain Scout Reservation. We have also started to look at officers for the next leadership term. Just a reminder to all members, we do have exec meetings every third Sunday of the month at the council service center - All are invited to attend. If you are interested in becoming a committee chair for the next lodge year now is the time to speak up and get involved. Feel free to contact any of the lodge leadership about becoming part of the awesome crew that makes the lodge work. Remember, <http://www.kittatinny5.org>

Yours in service,  
Dan Kline

## Kittatinny is Going to the Big Apple!

### **KITTATINNY LODGE 5 - New York City Trip**

For Lodge members, families, and guests  
**Saturday, March 20, 2010**

**Cost: \$30.00 / person**

**The Museum of the Native American Indian and time on your own in the city**

Our trip will depart from the Council Service Center at 6:00am via motor coach, and head directly to New York City. Upon arrival in NYC, we will be dropped off at Battery Park on the southern tip of Manhattan.

To make this trip **flexible** and **affordable for families**, we are charging for **TRANSPORTATION ONLY**.

Lunch, dinner, and sight-seeing in the city will be on your own. Bring money for your expenses.

We encourage everyone to visit the Museum of the Native American Indian in the George Gustav Heye Center.

It has free admission, and is open 10:00am-5:00pm, The Staten Island Ferry (runs every 1/2 hour, 25 minute trip one way), is also free to the public. Other sights within walking distance include: World Trade Center site, Wall Street, and the South Street Seaport historic district. Walk a little further and you can be in Chinatown or Little Italy. If downtown doesn't suit you, hop the subway or taxi and head uptown to Broadway, Time Square, maybe catch a show. The day is yours to explore and enjoy.

Some, but not all, people have expressed an interest in visiting the Statue of Liberty and Ellis Island. To allow you the greatest flexibility in scheduling your day, you will need to **MAKE YOUR OWN ARRANGEMENTS** prior to going, as we will **NOT** be organizing a group visit. Your individual reservations should be made as soon as possible, as they are first-come, first-served, sell out quickly, and have multiple options. Your reservations should be made between 9am and 2pm to make sure you are there on time, and choose Battery Park as your origin point. Security screenings take place before boarding the ferry AND upon entering the monument. Plan accordingly (don't bring pocket knives!). Be aware that only 4 tickets to the crown can be booked per person.

**Purchase at: <http://www.statuecruises.com>.**

We will be re-boarding the motor coach at 7:00pm at Battery Park where we were left off, and will drive home directly with no stops. We should return to the Council Service Center by around 9:30pm.

Trip reservations will be accepted on a first come first served basis until the bus is full. Verify you are confirmed before booking any sight seeing activities in NYC. Dress for March weather.

Additional forms can be found on the Kittatinny web site at: [www.kittatinny5.org](http://www.kittatinny5.org)

**NOTE: Trip is open to Lodge members, their families, and guests. Unaccompanied Scouts must be 16 or older. Scouts under 16 must be accompanied by a parent or responsible adult with signed approval of parent or guardian.**

### Ceremonies

I would like to apologize for the mix up my number in the back was wrong so it should be right. Well spring is right around the corner and that means OA weekends! I am still looking for people to help out with the ceremonies for April and May. I will send you the scripts and I am also looking for handy people to help fix up the regalia. Ceremonies are an important part of the OA and only with your help can this tradition survive. Service is one of the major principles of the OA and when you participate in the ceremonies you are doing your service to the lodge.

Yours in service,

Austin Noguera

### Secretary's Report

Greetings Brothers,  
 I was very glad to see many of my Kittatinny brothers at the lodge banquet. I am also happy about the articles this month, the chairmen of the lodge did a good job sending me articles, so thank you guys!

The main point of my article this month will be focused on Wolf's Tale itself. Within the pages of Wolf's Tale, there is a wealth of information. For example, just by looking inside, you can find important dates in which the lodge has exciting events, there are contact numbers in the back in which you can get questions answered, there are also sign up sheets for lodge events.

What I am trying to say is when you get this newsletter in the mail, do not just skim over the pictures, take some time to find out what is going on in your lodge. Show up to lodge events and help out with committees and do work that will benefit the lodge and camp.

The most important thing of anything lodge related is to have fun, and learn some things along the way. Much of this important info can be found within these pages.

Yours in service,  
 Brant Portner  
 Lodge Secretary

## Adviser's Corner

"Greetings Brothers,

As I write this article in the warmth of a February fire it is hard to believe that spring will shortly be here. Even though the Ground Hog saw his shadow and we have 6 more weeks of winter, the spring service weekends will be here before you know it. But we do have some fun activities in March including our committee workshop weekend and the bus trip to NYC. That will be an awesome day and hope to see many brothers join us. Service is what our lodge is all about and this spring we will need all of you to pitch in and help. The Scout Show which fall on the first weekend in May will be here before we know it and much needs to be done to get camp ready for the huge crowds we expect. Of course, summer camp is right around the corner so much of what we will do we carry into the summer as well. Please be on the lookout for opportunities to assist. Your brothers who chose you need you now more than ever. Certainly put the April weekend (16-18th) on your calendars and join us your brothers for fellowship and service. But there are likely to be additional needs beyond that weekend to assist.

Yours in Brotherhood,  
Jim Buerger, Lodge Adviser  
Sisilija Papablim Gock  
Buffalo Who Plays With Money

## Brotherhood

To you Ordeal members, as you may know the achievement of your Brotherhood is the next step up in the Order of the Arrow. I encourage that you all take this challenge and show your knowledge of the OA. Come and strengthen your bonds among your brothers and begin the trail to vigil. When am I able to take my Brotherhood? Well, Brotherhood conversions are offered at all three weekends; September, April, and May. We also offer Brotherhood conversions during summer camp. The fee is \$18. If you are going for your Brotherhood, there are a few things that are required before hand. First, the date which you are taking your Brotherhood must be ten months after your Ordeal, and secondly your dues must be paid. I hope to see each one of you over the 2010 year and may your journey be safe. If you are already a Brotherhood member and want to become more involved in our Order, there are plenty of openings in my committee. I need people to volunteer to be apart of the new Brotherhood hike planned for the April and May weekends. If anyone would like to help me or has any questions about Brotherhood, please contact me at [ras98@earthlink.net](mailto:ras98@earthlink.net).

**Brotherhood Chairmen**  
**Robert Stricek**

## Website

Brothers,  
As I look back on 2009, I see a busy, fun packed, hectic year, especially for the website. The website is always brimming with the latest news about the lodge and everything it has coming up. I have been running this for a little while now, and it has been a blast. Unfortunately I sometimes get overwhelmed with all the sweetness that is going on in the lodge that has to be posted on the website. Maybe you are a new member, or maybe you have been in the lodge for several years. Either way, if you are looking for a way to get active in the lodge, come and join me! It is great fun running the website; I get to do some graphic designing as well as HTML and some other cool stuff. I even have some free software to offer! You don't have to be a computer guy to help me; you could use this as a learning experience. Even if you aren't interested in helping in my committee, I would encourage you to look into other committees. Yes, you could just come to the events, or you could come and have a blast helping run the lodge. I'll put it this way, helping in a committee, especially the website committee, is awesomeness on a stick!

Yours in Scouting,  
Jonathan Carl

## Vice Chief of Activities

Brothers,

I think I speak for everyone when I say last year was great for the lodge. The lodge has an ambitious year planned, and we need your help to make it successful. We have a bus trip coming up in March, service weekends in April and May, and conclave in May. We also need your help to serve the council at the Scout Show in May. Please send in a staff application and aid the lodge and council. Remember Brotherhood, Cheerfulness, and Service, and remember them in your everyday life.

Yours in Brotherhood  
Gordon Stock

## Treasurer

Looking back through the years and looking at all of the great times I have had with the lodge shows me how much the OA helps the community and the individual person. Yeah, we do a lot of service to camp and at times it can be really hard work, but I realize now that if we were not there camp would not be ready. So my request to all the new brothers of our lodge is to please help out, and get involved. There are plenty of things that we can use help on, with all of the events that the lodge has planned for this year there is always someone that could use some help planning, organizing or just completing tasks. If you are unsure of what you can do to help, just look at the back of the wolf's tail and pick a few of the committees that sound interesting. Then call the chairman and ask them questions of the work they do, how you could help them and if they need any help at the next weekend or event. I am sure that the chairmen will be welcome to your help, and would be glad to have you on their committee.

Yours in Scouting,  
Nathan Wyandt

## Membership News

Brothers,

It's a New Year! There is a lot going on in the lodge this year. Some of the many things the lodge is planning includes, NYC bus trip, April and May Service Weekends, and Conclave at Camp Tuckahoe, I hope to see you all there. Also, just a reminder, if any Scouts in your Troop have not paid their dues, encourage them to do so.... dues are now \$15. Remember, you must pay your dues to participate in these great activities!

Yours in Service,  
Dan Capitella

## Service Committee

"Brotherhood, Cheerfulness, Service" These are the three tenants of the Order of the Arrow. Without the service rendered by our members at each OA Weekend, there would be a lot more work to be done around the camp by paid professionals at a premium price.

This Spring, camp will be awoken again, and we will need to have more service done to get it ready for the Centennial of Scouting, the big 100, the Anniversary of the Boy Scouts of America.

One of the special events for 2010 will be the Council Scout Show, where we hope to attract hundreds of people to visit for the first time, or a visit to Hawk Mountain. We need to be sure our camp is a showcase for the community.

There are still plenty of service opportunities between now and then, not counting the April OA Weekend. If you have a free weekend, contact Ranger Kevin Huneke to see about what you can do to help.

## Activities

Fellow Arrowmen,

This spring is going to be huge for activities, I am doing my best to make these events special for you. The May weekend is going to be the big blow out for the year, the theme is Block Party. We will be including such things as a car smash, ROOT beer garden, and other carnival based events. April's theme is still undecided but I guarantee you it will be worth your time. Right now I would like to take some time to highlight a seldom used lodge "Activity." This is the participation award, for those of you who aren't sure what this looks like, it's simply a patch of the wolf head that hangs under your pocket flap. The requirements are nothing much above and beyond what the normal arrowman does on a regular basis. Some examples are, attend 2 of 3 OA Service Weekends and thirdly meetings, attend 75% of your unit's regular meetings, attend 2 campouts other than extended camp, and teach a new scout a skill. I urge you to take part in this experience and program the lodge has put together. All information pertaining to the Participation Award is available on the lodge web site under the program tab.

-Billy Kimmel
