Brothers,

The Native Americans speak of a great battle between the Deer and the Bear in the Land of the Sky during the harvest. During the autumn season, the Deer walked over the rainbow bridge into the Land of the Sky, a place that he should not have gone. When hearing what the Deer did, the Bear, who was selfish and prideful, confronted the Deer. A great battle, load and dreadful, ensued and the Deer, using his antlers, tore open the Bear. When the Wolf heard this dreadful noise, he went up into the sky to stop the battle. All the animals obeyed the Wolf so the Deer and the Bear separated and ran off. As the Deer ran, the blood of the Bear dropped from his antlers. It fell down to the Lower World and made the leaves of the trees many colors. Some were red, some yellow, some were brown. Some scarlet, and some crimson.

Let us as Arrowmen reflect on our own personal harvest as we remember the “seeds” that we planted during this year’s OA weekends and the many colors that make up this great organization. And let us be mindful of the Obligation, our character and integrity, and the choices we make in our daily lives. Until we gather, be safe in your travels.

In Faithful Brotherhood,

David Muldowney

Chief of the Fire

Kittatinny's New Lodge Adviser

Hello Brothers,

Allow me to introduce myself to the Lodge. I just recently celebrated 27 years of marriage, and I am the Father of two Eagle Scouts. I am currently employed by a major industrial product coding and marking manufacture with 26 years of experience.

During my 13 years in Scouting, I have held many positions at the unit and district levels. Scoutmaster, Troop Committee Chairperson, District Advancement Chairperson, District Camping Chairperson and Wood Badge Staff to name a few. I have served the Lodge as a District CP&E and Ordeal Adviser.

I would like to thank Dick Zerbe for all his work and dedication to the Lodge. His efforts helped keep the lodge strong. I am truly honored to serve as Lodge Adviser and look forward to working with all the youth and adults of the Lodge. Together, we can keep the Lodge moving in a positive direction.

Rudy Benkert
Lodge Adviser

From the Lodge Chief

Hello Brothers,

I hope everyone is enjoying the fall. It is my favorite time of year. The weather is cooling down, the leaves are changing, hunting seasons are starting up, and the lodge starts getting more active again. There is going to be a lot coming up in the next year and there is a lot to cover.

First I hope that everyone enjoyed the September weekend. I am sorry I could not attend because I was at camp alpine for the Northeast Region Gathering of Leaders. I learned a lot of useful information and helpful tips that I will share with you all to help improve the lodge.

The next big event coming up is our inaugural Fellowship day on November 15th. We came up with the idea in the summer and hope to make it a good first event. It will be a time to meet other arrowmen and enjoy the brotherhood that is our lodge. We will have games and activities, patch displays and food. If anyone has any suggestions or ideas for next year's event contact me via email at a.g.noguera13@gmail.com.

By this time next year we will have celebrated the 100th anniversary of the Order of the Arrow at NOAC 2015. I can't wait to see the large celebration and the large contingent that we are bringing having a blast at Michigan

State. Leading up to NOAC however there will be a lot of 100th anniversary events going on next year. Patches, new awards and Arrowtour are only the beginning. Speaking of New Awards there is a new award out only for 2015 called the Arrowman Service Award. It is only available to earn from now to the end of 2015. This award is one of the only patches allowed to be worn on your arrow sash so take heed of this rare opportunity. Information about the award can be found on the national website. If you have any questions about that award do not be afraid to contact me.

We will also be looking for chairmen again next year. I am humbled to be your lodge chief again next year but I know I can not do it alone. I am looking for hardworking arrowmen who are willing to make a difference in their lodge and want an opportunity to gain leadership experience. If you are interested email me or call me at my number listed in the back of The Wolf's Tale. I am always willing to work with young and inspired arrowmen. I hope to see everyone again soon and do not be afraid to reach out to me.

Yours in the brotherhood of cheerful service,
Austin Noguera
Lodge Chief

Lodge Adviser's Corner

Brothers. I am pleased to announce that Kyle Dierolf has accepted the offer to serve as Associate Lodge Adviser starting January of 2015. He will take over when Dick Keppler's term ends. Join me in thanking Dick for his years of service to the Lodge.

The Lodge is also in need of new Advisers for Ordeal and Brotherhood. If you are interested, please fill out the Kittatinny Adult Talent survey under the forms page of the website (kittatinny5.org) and email it to trekneb2@gmail.com. All those interested in helping will be considered and all of the forms will be kept on file for future openings.

Rudy Benkert
Lodge Adviser

A big thank you to Dick Zerbe for his time as Associate Lodge and as Lodge adviser. I hope he continues with the lodge. As we move on we need to strengthen our lodge Troop Team Representative program. Each troop should have a troop team rep. to inform the troops as to what is happening in the lodge. They can also assist the Election teams when they come to troops to hold elections. They can also help to promote camp. I hope chairman and advisers are in contact with each other. I also hope you are in contact with members of your committee. It is important so that we remain a strong lodge. Thanks to everyone for all you do for the lodge.

Dick Keppler
Associate Lodge Adviser
