A Note from the Chief

It's been five months since I have become Lodge Chief, and I believe we, as a Lodge, are headed in the right direction. To all the dedicated LEC members, adults, and officers, I thank you all for your hard work. To all the new members of our Order, I welcome you to join a committee, attend conclave, or whatever it takes to get active in the Lodge you won't regret it. As summer fast approaches, I look forward to spending most of mine at Hawk Mt. Scout Reservation. There I will be serving as the Summer Chieftain. To any member of the Lodge, don't hesitate to visit me during your week at camp. To any staff member who ends up reading this, I am looking for people with loud voices to conduct the ceremonies over the summer. If you'd like a speaking role or even just to act as a torch bearer, please see me during staff week. I wish a happy and productive summer to everyone.

Live Long and Prosper,

Tony Stianchie

2016 Lodge Chief

A Note From the Associate Lodge Adviser

Now that the weather has warmed up I hope that everyone has caught up on their yard work! The lodge has certainly gotten a lot done at HMSR. As I write this we are just about to the halfway point for the year. It sure is flying by! We have had a lot happen too. We started the year with a phenomenal LLD, helped at STEM University, attended #LEAD, had several meetings, conducted unit elections, inducted new members, held ceremonies trainings, and completed many projects around camp. Seems like a lot, doesn't it? It is, but the most important part is that it was fun. If you were not able to join us so far this year be sure to find time to attend an upcoming event. There are plenty of OA activities that happen at camp each week and looking forward into the fall we have a service weekend, a fellowship weekend, and the banquet. The point to take from this is simple; there are many fun and meaningful things to do in the lodge. I would also like to thank our lodge leaders for their outstanding work so far this year. Thanks to the dedication of the executive committee we have had many successes and are looking forward to more in the future. Planning all of these events takes time and can be challenging as well. Our youth leaders and adult advisers are doing a great job... keep it up!

Yours in Cheerful Service,

Kyle Dierolf

Ceremonies Announcements

Thanks to all who have helped us out at the April and May OA weekends, the ceremonies went off pretty well. For those that bought Ceremonies Patches during our fundraiser presale, we thank you too. Members of Ceremonies, watch for news about summer training sessions and other ceremony committee events. Finally, for those who brought wax at the April weekend thank you. The ceremonies team is not in need of wax at this time. We look forward to September OA weekend, and hope to make some improvements with our ceremonies until then. I would also like to thank everyone who sent in wax , we do not need any more. See you all there!
