## "Keep The Tradition Alive in Kittatinny V"

Greg Hafer  
Vigil Honor Memeber

An historic event happened for Kittatinny Lodge 5 at this years Vigil Weekend. Alex Hafer became the first third-generation Vigil member of his family and the lodge.

The Hafer family has had a long history in Scouting going back to the 1950's in the old Appalachian Trail Council in Schuylkill County. J. Carl Hafer, Sr. was an Assistant Scoutmaster and a Cubmaster in Tamaqua, his sons J. Carl Jr., J. Ted Hafer, and Greg Hafer all were involved in Scouting and all three sons became Eagle Scouts. Greg's sons Brandon and Alex are also very involved in Scouting in Pottsville. Brandon has completed his Eagle and Alex should complete his this spring. Carl Sr., Carl Jr., Ted and Greg began their Order of the Arrow involvement in Memeu Lodge 125 prior to the formation of Kittatinny Lodge. Carl Sr. received his Vigil Honor April 20, 1963 and was given the name "Papesu", "Patient One". Carl Jr. and Ted became Brotherhood members in Memeu lodge and were both active on their ceremonies

and dance teams. Greg began his OA experience during the transition of Memeu and Minsi Lodges. He took his Ordeal at Camp the following April at Camp Shikellamy in the newly formed lodge Kittatinny Lodge 5 created by the merger of Memeu Lodge 125 and Minsi Lodge 5. This was brought about when the two councils, Appalachian Trail and Daniel Boone, merged to form the present Hawk Mountain Council. In April of 2001 Greg did his Vigil outpost and was given the name "Achgegum Muskalanape Wishimnum", "teaches young men to fly". As Alex completed his Vigil outpost he was given the name "Landoawen Nachpi Atta Alemoagan" which means "Climbs with no fear" and those of you who attended Hawk Mountain Summer camp saw and worked with him this summer at the C.O.P.E course know where the name came from.

To use a line again that the lodge has used in the past, here is another example of how we... "Keep the tradition alive in Kittatinny V."

## The Chiefs Corner

Brotherhood, cheerfulness, service. These are the principals our order is founded on. The "Brotherhood of cheerful service." In the next three editions I am going to focus my articles on these three words.

The first word is Brotherhood. Brotherhood is defined as, "Fellowship, all members of a profession or trade." So how does this apply to our organization? Well when we all entered the lodge we took an obligation and received a sash. This was a formal welcome into the new part of our "scouting family." This is because we were all elected for the same purpose, that is to serve others. We support our new family by doing many different things. That can be doing ceremonies, service at camp, working in the kitchen, or at the circle, and supporting our program. In 10 months we all have the option to become and "older" brother. This is taking your Brotherhood. You have

learned the basic parts of the family and how it works, and you can become an older brother, and promote others to do the same. We are a miniature family within the national brotherhood.

This brotherhood holds a deep meaning to many members, including myself. I began as a member of the ceremonies team, met people, talked to others, took my brotherhood and became an active member. By doing this I have met many people who are now close friends (almost like brothers). I have been fortunate to be able to visit other lodges, most recently Susquehannock Lodge XI (11) at Hidden Valley Camp. So by being a member of this Brotherhood you have the opportunity to meet people from all over the state, and nation.

So how can you do this? Well you must be an active member. Attend lodge functions, talk to people, join committees, call your chairmen or officers if you have a question (We'll be more than happy to talk to you.) Take your Brotherhood, or if already a Brotherhood member, help someone else earn theirs. Work on the new Participation Award. You can also serve your unit, because that is the main purpose of the OA, "to serve the unit." So on a closing note I would like to wish everyone (from bother to brother) a very Merry Christmas, and a Happy and safe New Year. Enjoy the holiday season, and I hope to see you all over the winter months.

## DID YOU KNOW THAT... OUR LODGE DOES CEREMONIES!!!

"Well duh!" you might say, "I've been to a few weekends since my Ordeal/Brotherhood! I've seen the ceremonies we do! I especially like the Meteu in the Brotherhood ceremony!"

However, I'm not talking about service weekend ceremonies. Did you know that YOU could have your Eagle ceremony done as a public ceremony through Kittatinny Lodge 5? That's right, we dress up in costume and put on a great ceremony to make that special event even more special.

**BUT THAT'S NOT ALL! We also have ceremonies for those special crossover and Arrow of Light occasions!** What a cool way to end you years of Cub Scouting and introduce you to Boy Scouting! Scouts (Any scout whether in the Order or not), OA-Troop Reps, Cub Masters, and Scoutmasters can call the ceremonies chairman (listed on the back of this issue of Wolf's Tale) and request a ceremony any time at least a month in advance (We do try our best to accommodate late calls). So wait a minute...what's the catch??

**NO CATCH!!** We are a youth run organization based upon the ideals of cheerfulness in service to others! Here are some frequently asked questions about these ceremonies and their answers...

Q. What does this cost me/my pack/my troop?

A. Ceremonies are \$0.00! That is to say, they cost NOTHING! We insist.

Q. Am I expected to give a donation to the Order of the Arrow, Kittatinny Lodge 5, or the council as thanks for such an event?

A. NO WAY!!! As said before, we are a service organization. We don't expect anything, save only to see the smile on the face of a new Eagle Scout or the smiles of happy Cub Scouts.

Q. My pack/troop has a tradition with reading certain things during a ceremony. Would your ceremony interfere with our troop's traditional program?

A. Our ceremonies are EXTREMELY flexible and able to accommodate most any interruption. As a matter of fact, most of them are written that way on purpose. We believe in the importance of tradition and establishment/ritual in individual units.

Q. How do I get a ceremony for my unit and does the Eagle/Arrow of Light recipient/ cross over candidate have to be a member of the Order?

A. To schedule a ceremony, simply contact our ceremonies chairman (his number is located on the reverse side of the Wolf's Tale). He will send your request to a coordinator in either Berks or Schuylkill counties. This coordinator will assemble a team and make all the final arrangements with you.

No you do not have to be a member of the Order of the Arrow to schedule a ceremony or be a recipient one.

Q. WHY DO YOU GUYS DO THIS KIND OF THING? ARE YOU CRAZY? ISN'T YOUR CALENDAR FULL ENOUGH?!

A. Ah yes, the most frequent question. We do these ceremonies to promote good will and cheerfulness in service on our path and goal of servant leadership. The Order of the Arrow was founded to give service to the unit. Besides, it is well known that "The servant of all is the greatest of all" - Dr. E. Urner Goodman, our founder. We seek to be the servant of all. Yes, we are crazy. Yes our calendars do fill up; however, we run ourselves ragged to try and make sure that your boys may experience a quality program.

Josh Abramowicz  
First Vice Chief

## HOW FAR WILL \$50.00 GO ON YOUR SPRING BREAK?

Philmont Scout Ranch is offering you an opportunity to join other Scouters in giving meaningful service, the formation of lasting friendship, and development of your leadership skills on the beautiful trails of Philmont Scout Ranch. Under the direction of experienced Philmont staff members you will take part in a week-long service-based program. All it costs is \$50.00 for the week, however, you have to get there on your own.

The program is a seven day experience. Each day you will providing Philmont with valuable service, from base camp to the far reaches of the back-country and everywhere in between. The program is not simply service though, the program will also challenge you mentally, physically, and spiritually.

The work will be strenuous. You will be expected to work eight or nine hour days in all types of conditions. It will be imperative that you work with great diligence, as your time to make a positive impact on Philmont will be limited.

### 2003 PHILBREAK SESSION DATES

Full program details and the application form to register is available on the National OA Web Site at: <http://www.ou-bsa.org/programs/phillbreak/>

You'll need to print it, get the required signatures, and mail it to the National Office ASAP, as National will be confirming all reservations by Feb 10.

## TWO KITTATINNY LODGE 5 OFFICERS TRAVEL TO CAMP HIDDEN VALLEY AND MEET SUSQUEHANNOCK LODGE 11

"It was awesome to see how another lodge works!" I thought to myself as we left the parking lot of camp Hidden Valley. "I can't wait to see their officers come visit us in April!"

Mike Miller, our lodge chief, sat next to me shivering.

"Ok," he said, "Now how the heck do we get back home?"

"Wait a minute, Mike, you drove us here from all those back-roads in the dark. Don't you know where we're going?"

Mike pointed in an eastern direction. "That way!" he declared with a mighty roar from his Chevy Tahoe. (We rode in style) And off we went.

"The weekend we spent with brothers of another lodge rocked!" I continued thinking to myself. "Their Lodge Chief, Vice Chiefs, Secretary, Advisers, and members were so very hospitable. Whenever we had a question about the enormous camp in which they house their lodge, they always had an answer. They were so good at pointing out the beauty that surrounded you in their camp. They freely offered food, fun, and fellowship in abundance, but the neatest thing of all was the fact that we shared our knowledge and experience with one another. Something about that ASK

(Arrowman Sharing Knowledge) program really seemed to surface in a less direct way. We were having so much fun that we didn't realize we were sharing our knowledge and experiences at the same time."

"Did you have fun?" Mike asked.

"Yeah, Mike, I did. Being there for their fall fellowship was really neat. I've always wanted to see how other lodges did their work. Seeing their Brotherhood ceremony was also pretty cool. I can't wait to have our new friends come to visit us in April! We'll have so much fun causing you trouble!" I couldn't help but laugh.

"I had a great time too," he replied. "I guess we'll be in contact with the guys from Susquehannock for a while now."

We talked a little bit, but farther down the road things grew silent. All of a sudden, Mike and I were too busy to talk. We were too busy reminiscing about the friends we made. We were also too busy becoming more and more lost.

*Editor's Note: In recent issues, we seem to be hearing a lot about being lost going to and coming from events. Perhaps some land navigation skills are in order! Just kidding. It's not always the destination, but the journey.*

### New items are available by special order from Kittatinny Inc.

Kittatinny, Inc. has several new items that you may not be aware of if you have not been to a weekend lately. By special arrangement, we now have available Kitatinny Lodge embroidered polo shirts and Polar Fleece vests. These and some other items require pre-paid orders to be placed through Kittatinny Inc. at any service weekend.

While you are thinking about purchasing one of these specialty items, don't forget to pick up all your other essential OA memorabilia on your next stop. National OA as well as lodge items are all available. Parents, Scoutmasters - these items make great gifts for your hard-working Scouts. Contact Kittatinny, Inc for more information.

# From the Lodge Adviser

Our Lodge Leadership Development program, held on Brotherhood Day, proved to be an excellent training opportunity. I would like to thank all those who were able to make to camp for the training as well as the trainers.

Please keep in mind that everything we do in life is an ongoing process. We need to continually think ahead! As we enter this holiday season, make sure you renew your commitments to family and friends. Take some time to reflect on the upcoming year.

The OA is but a small part of it but you need to "Keep the Spirit" if our order is to advance. Ask yourself: Am I ready to seal my bonds in Brotherhood? What will I be doing this summer? (Camp Staff!) Could I help the lodge by serving on a committee or running for a lodge or section office? Who should be nominated for the Camp Service or Spirit Awards, the Founders Award, or prospective Vigil nominations? There is much for you to think about but you must also act on these thoughts.

Enjoy the holidays but be sure to keep your eye on the future. Our lodge depends on it.

Roger Mory  
Lodge Adviser

Look for the NEW NOAC forms to be printed in a future edition of Wolf's Tale.**

## \* New \* - Lodge Family Picnic Scheduled

Are you a parent who is not involved in the OA and always wonder why your son goes away on weekends and comes home and doesn't say much about what the OA is or what we do? Do you feel in the dark? Well I know my parents are, as are many other parents of scouts in our lodge. Therefore, the Lodge Executive Committee has proposed the first annual LODGE FAMILY PICNIC!!! What's the point? This picnic will allow both the members and their family members to enjoy a day of fun, food, and fellowship, which we, as members, enjoy all the time. The date is June 8, 2003 and will be held at HMSR (camp). So put it on your calendars, and watch for details in the future.
