Greetings Brothers,

As summer winds down to an end, I would like to thank all of the fellow Brothers who have sealed their bonds within the Order of the Arrow at Hawk Mountain’s summer camp program. Next up is the September weekend where I hope many more Ordeals will follow in their Brothers’ footsteps and take their Brotherhood. I encourage anyone who has taken their Ordeal more than 10 months ago and who has been active in the Lodge to take their Brotherhood at the September weekend.

-- Anthony Stianche, Brotherhood Chairmen

How How!!

We say this phrase after the Ordeal and Brotherhood ceremonies to welcome our new brothers into the circle. I want to use this phrase for two other events. The first being the April and May service weekends. We completed many service projects to prepare camp for the summer and the Activities Committee had great themes. I appreciate the work you do and I thank you.

The second being the Section Conclave at Camp Horseshoe. All the members that attended represented themselves and the lodge to the highest degree. I was extremely proud of each and every one. Our lodge won the following competitions: Iron Chef, Lodgeball, Closest to the Pin for Youth, and Obstacle Course. Kittatinny will be represented by Austin Noguera, who was elected the Section Vice Chief for the next year. I am looking forward to the next conclave, how about you?

Again I say.....How How!!!

-- Dick Zerbe, Lodge Adviser

The May weekend is behind us. Thanks to all who participated in the weekend and for all the cheerful service that was completed.

The summer camp season is here. I hope if you attend summer camp and are eligible to take your brotherhood you take the time to seal your membership in the lodge.

I hope all chairman are keeping in contact with their committee members throughout the summer months. It is important that contacts are made

Thanks to everyone for everything they do to make our Lodge what it is .-- Dick Keppler, Associate Lodge Adviser

***Dedicated Ceremonialists Needed***

The ceremonies committee is in need of dedicated youth arrowmen for the Pre-Ordeal, Ordeal and (New) Brotherhood ceremonies. The lodge would like to continue the tradition of sending a well prepared Pre-Ordeal and Brotherhood team to NOAC in 2015, so the time to start preparing is NOW! The team will likely meet to practice several times between the September weekend and NOAC, so a firm commitment is a must. All CURRENT and aspiring ceremonialists should contact Susan Zierle (Below) if interested. HOW HOW!

## National Leadership Seminar~

April 2014

I was fortunate enough to be one of three members of our lodge to attend 2013's NLS. Our lodge was honored with the opportunity to be able to host NLS. At this weekend we talked about how we could increase our leadership skills and the understanding of our fellow scouts in our troop or crew. We played games where we learned how to trust our fellow scouts and work as a team. One of the games that we did was Win All You Can; in this game they tried to turn everyone against each other. But what they were really trying to show us is that we can only succeed when we all work together. Then we also went through movies and discussed the leadership

skills of the characters, how they could improve on the skills. I recommend that if you ever get the chance to attend NLS that you choose to go. I would like to thank the staff who attended and for the training session they presented. I would also like to thank the lodge for sending me to this training

--Nicholas Spease

I would like to thank the Lodge for sending myself and two fellow Lodge members to the NLS in April at Hawk Mountain Scout Reservation. The National Leadership Seminar (NLS) is a weekend conference on the skills and attributes of leadership. There,

our leadership skills were greatly improved by a quality staff and program. Many of the skill that I have learned at the NLS will never be forgotten. Once again thank you! --Anthony Stianchie

## From the Desk of... Flow Rebmit

Hello to all my brothers,

Wow! Things sure are moving along in Kittatinny Lodge. Since we last talked, there as been a great Lodge Banquet, two service weekends and we rocked at Conclave. I have also ventured down from my den and watched the ceremonies during summer camp. Did you hear me howling my excitement form my viewing spot? It was a job well done by all.

It is so exciting to watch our officers lead the Lodge towards 2015. I hear the Order will be 100 years old and there will be an Arrowman Service Award for all to earn. Wow, I wonder are wolves eligible? I'll be that Unami Turtle finds a way to earn one. he always thinks he's special, because he is number

one. It does sound like an exciting year in 2015. The National Order of the Arrow Conference is in 2015... those are always a howling good time. I wonder if that Barner fellow will let me stow away on the bus... A member of my family has been at every conference, dating back to the minsi days.

I have also heard that some of our members have started being called out for the Vigil Honor. I look forward to the Vigil Weekend in October. All though it is a very busy time for me, I spending the night roaming from Vigil site to Vigil site making sure that all is well. Last year I scared a rambunctious raccoon away from one site.

Yours in the Wimachtendienk,

Flow Rebmit
