Where To Go Camping

This is our third edition of our “Where To Go Camping” booklet.

This booklet contains additional information from last year’s booklet.

We of Kittatinny Lodge 5 hope that the information contained in this booklet will be of use to you in planning some of your Scout activities. Our purpose is to promote Scout camping on the Troop, District, and Council level. You can help us, and other Scouts and Scouters, by filling out the form on the last page of this booklet. We hope that next year’s issue will have even more information to help Scouts and Scouters find places to go camping.

If you find errors or omissions, please let us know. E-mail us at: wtgc@kittatinny5.org

COUNCIL CAMPS

Section 1

Council Camps

This first section is a guide to Boy Scout Council Camps in the Northeast Region. Camps from councils in Connecticut, Maine, Maryland, Massachusetts, New Hampshire, New Jersey, New York, Pennsylvania, and Rhode Island (note that Delaware and Washington, D.C., while members of our region, have no council camps). More information can be received concerning these camps by contacting their local council, included for your convenience.

Don't forget: the "out" in Scouting is not just a word, it is a Scouter's responsibility.

The Hawk Mountain Scout Reservation

The Hawk Mountain Scout Reservation is a 700-acre Scout camping facility. The camp is nestled in the foothills of the Blue Mountains near the Schuylkill County town of Summit Station, and borders the Appalachian Trail. The camp is owned and operated by the Hawk Mountain Council, Boy Scouts of America for the benefit of the youth of Berks, Schuylkill, and Carbon counties.

Opportunities to use the Hawk Mountain Scout Reservation facilities are extended to other Boy Scouts of American affiliates (councils, districts, and units). The reservation operates under the direction of the Executive Board of the Hawk Mountain Council with the professional guidance of the camping director assigned by the Council Executive.

Summer camping experience at the Hawk Mountain Scout Reservation can be a great experience for your Scouts. The camp is open for summer camping for seven weeks, starting from late June through the second week of August. Summer camping features tent camping-patrol method. The camp has a C.O.P.E. course and a large lake for canoeing, rowboating and sailing. There are also rifle and archery ranges and two swimming pools in addition to the handicraft, nature conservation, and Scoutcraft program areas. There are many opportunities for skill awards, merit badges, and advancement for your camps. In addition, **AWARDS!!!** The average weekly cost per Scout for a week at Hawk Mountain Scout Reservation summer camp is \$155 to \$175.

Winter camping is also a big feature at the Hawk Mountain Scout Reservation. Enclosed in this booklet you will find a list of facilities and costs.

Weekend Camping

Arrival in Camp

Normal weekend camping will start on Friday or Saturday, however, during holiday weekends, vacations, and dates when schools are closed; this can be extended by prior arrangements. Immediately upon arrival, check in with the Ranger or volunteer campmaster on duty at the Administration Building. You will need the permit issued by the Hawk Mountain Council office to check in. No unit will be permitted to check in after 10:00 PM. ***Vehicles may be permitted to unload and load heavy equipment at the campsite; after unloading or loading, all vehicles must be parked in the parking lot. This is a policy which has been approved by the Executive Board for the safety of our boys. Also, be prepared to provide a list of Scouts and adults attending the weekend.***

Check Out

If you have any change in your anticipated check-out time, please notify the Ranger or campmaster in advance. ***Do not leave camp before checking out with the Ranger or campmaster.*** You could be billed for damages that were not of your doing or for failure to replace your fireplace supply.

Water for Winter Camping

During Winter Camp there are limited places to secure water. All units should bring their own water containers. The Ranger will inform your unit of water points.

Accidents

All accidents must be reported to the Camp Ranger or campmaster. Emergency medical information will be given to units. Units are reminded that the Scouts and Leaders at camp for Weekend Camping are covered by the Council's insurance policy. ***The camp does not carry Weekend Medical Insurance for out of council units or non-Scout groups.***

Fire

A unit should establish a fireguard plan for their stay in camp. All fires are to be reported to the Camp Ranger immediately.

Capacity

The capacity of each facility is the maximum capacity. It behooves units to reserve the appropriate size facility or combination of facilities. If your unit is larger than a cabin facility, bring tents and plan on camping your overflow participants outside.

Proper Use of Facilities and Property

Scout camping and its facilities are provided by the public through their contributions, which expresses their confidence in the values of the Scout program and in the leaders who make it possible. It is our duty to pass a feeling of responsibilities on to our Scouts through training and a positive approach.

The use of camp by 300 or more Scouts each weekend during the year, plus the wide use of the facilities in the summer, will naturally cause a reasonable amount of wear and tear. Misuse or wanton destruction is not reasonable. One of the more evident misuses of camp property that has occurred in the past is that of painting, etching, or burning marks on rafters or walls. Unfortunately, many units now have their number left on building at our reservation as a permanent reminder of their un-Scout-like actions.

These actions, as well those of a similar nature, will result in the Unit being assessed for the cost of necessary repairs to include materials and labor. Bills must be paid to be in good standing to use council facilities.

Standing trees are not to be cut, hacked, girdled, or otherwise defaced. A fee of \$5 per inch of diameter will be assessed by the Camp Ranger.

Hiking

There are hiking trails available on camp property. The Minsi-Memeu Trail is available. If you are interested in hiking the Appalachian Trail, there are guidebooks/maps available for purchase in the Council Service Center Trading Post.

Hunting

The Hawk Mountain Scout Reservation is private property and not open to hunting.

Fishing

Fishing is permitted in designated areas; check with the Camp Ranger for locations. Persons 16 or over must possess a valid PA fishing license.

Religious Services

Units are encouraged to provide an opportunity for religious worship services on Sunday. Catholic Masses and religious services are held at the following local churches:

Cancellations

Ordinarily, there are no refunds, but another choice of time and facility will be given, in the same program year if possible. Cancellations must be given **three weeks** prior or no credit will be made.

Availability

Check with the Council Service Center (610) 926-3406 for facility and equipment availability. Reservations are taken on a first-come first-served basis. ***Full payment is required at time of reservation and must accompany application.***

Reservations

Summer Camp

A troop must complete a Summer Camp Reservation Form, selecting their campsite and week of camp. A \$50 deposit must accompany the application for the site reserved. Reservations are on a first-come first-served basis. Deposit is not refundable. Reservation forms are available at the Council Service Center.

Cub Scout Day Camp

A Pack must complete Cub Scout Day Camp Reservation Form and select the week of their choice. A \$15 deposit must accompany the application; this is nonrefundable. Reservation forms are available at the Council Service Center.

Winter Camp (Year-round Camping)

A unit or approved group must complete a Reservation Form and pay the full amount of the scheduled facility fee (listed on prior page).

All non-Scout units must complete a hold-harmless agreement and supply an insurance coverage certificate naming the Hawk Mountain Council as a co-insuree.

STATE AND NATIONAL PARKS

Section 2

State and National Parks

National and State Parks and Forests are a great place to go camping with you Scout unit or family. Always remember to follow park rules, for they are strictly enforced. As long as you follow Scouting's Outdoor Code, however, you won't have any problems and will enjoy your stay.

MAJOR HIKING TRAILS**APPALACHIAN TRAIL**

The Appalachian Trail, extending 2,000 miles from Mt. Katahdin to Springer Mountain in Georgia, provides a unique opportunity for exploring the eastern United States. Over most of its length it is marked with white paint blazes and metal markers. The Appalachian Trail may be thought of as a trunk line trail predominately along the ridge crests with their panoramic scenery. It also affords access to the gorges, waterfalls, stand of timbers and other places of great beauty.

From the Delaware Water Gap to the Susquehanna River there are scattered open camps, but the irregularity in the chain sometimes necessitates carrying camping equipment. The Appalachian Trail is primarily a hiking trail and camping is incidental to where nightfall overtakes one. Lean-to shelters are along the trail but should only be used in inclement weather or in case of emergency.

Maps and detailed trail information may be obtained by writing:

APPALACHIAN TRAIL CONFERENCE
P.O. BOX 236
HARPERS FERRY, WEST VIRGINIA 25425

HORSESHOE TRAIL

The Horseshoe Trail begins at Valley Forge and follows old woodland roads and paths. It follows high ridges and crosses many streams. It extends for 121 miles and joins the Appalachian Trail and Rattling Gun Gap on Sharp Mountain, 12 miles north of Hershey, Pennsylvania.

A complete guide of the trail may be obtained by writing to:

JENKINTOWN, PA 19046

JOCKEY HOLLOW TRAIL

The Jockey Hollow Trail provides a scenic hike and also an opportunity to feel close to some of the soldiers from the American Revolutionary War. The hike is 17 miles and provides an opportunity to follow the paths that Washington and his army used to cross the mountains to enter Morristown, New Jersey to spend his worst winter.

The trail is only open from September to May. A medal is available for those who complete the hike and submit an essay.

LOYALSOCK TRAIL

The Loyalsock Trail- is a wilderness trail running parallel to the Loyalsock Creek for fifty miles. It is blazed with red markers with yellow lettering 'ILT'. For the most part, the trail follows the ridges above the creek, but sometimes meanders down into the valley. The average elevation of the trail is 1800 feet. The highlights of the trail include its many vistas. No shelters are available along the trail but Worlds End State Park is eight along the trail and provides an excellent camping area for hikers.

DELAWARE CANAL TRAIL

Bike it, hike it, or canoe it – be a history buff and live it as you travel. Five years in the making to get the history, lore and construction details onto paper for use by Troops who dare to try something different. The Delaware Canal Trail is located in Eastern Pennsylvania and administered by the Bucks County Council, Boy Scouts of America. The trail follows the towpath of the Delaware Canal which was operated from 1831 until 1931 as a major inland trade route. Not many historic trails can be traveled by bike, foot, or canoe but this one can. The Delaware Canal Trail Award is available for those meeting the requirements. Awards are given for completion of parts of the trail & how that 10-mile segment was completed, the end-to-end strip is given to those individuals who complete all 48 miles. Segments are available for hikers, canoeists and bikers. Information packs are \$2.50 or \$3.50 if mailed.

THE DOYLESTOWN HISTORIC TRAIL

The Doylestown Historic Trail was developed for all citizens as an Eagle Scout Project to promote the historic places of Doylestown. Informational pack is available and contains full instructions on how you can earn the embroidered emblem upon completion of the trail program. Packet costs \$2.50, if mailed \$3.50.

No history of Doylestown community would be complete unless it had a brief summarization of how this area came to be established. In 1681 William Penn was given a grant of 40,000 square miles in North America. It was given by King Charles II to repay a debt to the Royal Crown owed Penn's deceased father, Sir William Penn. This area became known as the Province of Pennsylvania, not named for the younger Penn, but in memory of his father, Sir William Penn of the British Admiralty. Doylestown came about in 1724 when Jeremiah Langhorne bought 5200 surveyed acres and 200 un-surveyed acres. These lands contained the future of Doylestown.

FREEDOM SHRINE TRAIL

Through the generosity of the Pennsylvania Exchange Club a series of photographic reproductions of our nation's historical documents have been presented to Bucks County Council. As a result "THE FREEDOM SHRINE TRAIL" has been formed, and Dens, Patrols, and Explorer Units as well as Girl Scout units may earn a specially designed medal upon completion of the trail requirements. Information packets cost \$2.50 or \$3.50 if mailed. The Freedom Shrine Trail is located in the Bucks County Council Service Center located at Scout Way & Green Street, Doylestown, PA Open 9 am – 5 pm Monday-Friday. Plan on at least two hours to complete the trail.

THE WASHINGTON CROSSING HISTORIC TRAIL

If your Troop wishes to hike the historic Trail at Washington Crossing State Park, PA get the packet that explains that trail program in detail. The cost of the packet is \$2.50 or \$3.50 if mailed. Then begin your plans to take the hike which is an inspiring educational experience of interest and value to citizens of all ages. It not only develops a thorough understanding and appreciation of one of the most significant events in our country's history but provides an opportunity to create interest and promote activity in several other aspects of Scouting's programs through familiarization with the nature study center, the bird banding station, Penn's Woods, Bowman's Hill Wild Flower Preserve, the Pennsylvania Canal, and the mission and management of public recreational facilities and historic sites. The trail, approximately 8 miles in length may be covered in one 8-hour day and a commemorative medal and embroidered emblem are available for those who satisfactorily complete the requirements for the award. Essays are submitted to the Washington Crossing Foundation and those judged the top three essays receive a \$50 United States Savings Bond.

THE WILLIAM PENN TRAIL

The William Penn Trail is designed to help Scouts learn the rules, history and features of Pennsbury Manor in Morrisville, PA. The trail is a short historic compass hike and is intended to be both educational and fun. Scout Troops and Patrols must supply their own compasses for the course. Scoutmasters should first obtain the William Penn Trail information packet from the Bucks County Council, BSA. The price is \$2.50 or \$3.50 by mail. Once you have decided on a date, call the Pennsbury Manor (215) 946-0400 and tell them when your Troop/Patrol would like to hike the compass trail. A special embroidered emblem is available to those completing the requirements.

HISTORIC TRAILS PROGRAM

Colonial Trail – Kiwanis Club of Allentown
Durham Trail – Hellertown Lions Club
Moravian Trail – Rotary Club of Bethlehem
Uncas Trail – Rotary Club of Easton
Sullivan-Wilderness Trail – Kiwanis Club of Stroudsburg

The Historic Trails Program of the Minsi Trails Council is a part of the Character Building and Physical Fitness Program of the Boy Scouts of America. There are several historic trails available within the Minsi Trails Council area.

The trails are as follows:

COLONIAL TRAIL – Emmaus to Allentown (12 miles)
MORAVIAN TRAIL – Bethlehem to Hellertown (14 miles)
DURHAM TRAIL – Hellertown to the Durham Locks (12 miles)
UNCAS TRAIL – Bethlehem to Easton (13.5 miles)
SULLIVAN-WILDERNESS TRAIL – Tannersville to Camp Minsi (12 miles)

Tow Path – included in the Durham Trail booklet (not one of our Historic Trails)

The Trails emphasize the early development of our nation during the colonial period. The significance of these trails is to develop a greater appreciation of our American heritage.

There are trail booklets available which may be used as a guide to hiking the trails. It is our hope that every hiker would have his own booklet so that he can follow the trail information, answer the questions and keep it as a memento of his experience.

All trails are open to any group and it is obvious that their use is subject to the established Scout guidelines. A trail emblem is available upon completion of any one of the trails. There is also a segment available for each of the trails. In all, there is one emblem and 5 segments that may be earned.

The Historic Trails Medal may be earned by completing all five trails. The medal is restricted to registered Scouts, Explorers and Leaders in the Boy Scouts of America. At least two of these trails must be completed as a registered Scout, Explorer or Leader. Any three of the five trails may be completed, and credit earned towards the medal, as a registered Cub Scout.

TRAIL GUIDELINES

1. have sufficient transportation available at the beginning and end of the trail.
2. A knowledge of compass, map reading and hiking procedures is necessary.
3. Trail lunches should be carried and a garbage bag should be taken with you.
4. No trespassing on private property.
5. Scouts should be in uniform and carry their registration cards.
6. One adult leaders (21 years of age or older) for every 8-10 hikers.

THE PALISADES HISTORIC TRAILS

TRAILS:

The Palisades Historic Trails are made up of portions of the Long Path, on top of the cliffs, and the Shore Trail, under the cliffs by the Hudson River--between Fort Lee Historic Park and Northern New Jersey Council's Camp Alpine, Alpine, N.J.

The Long Path is 11.3 miles long and requires at least 5 1/2 hours of hiking, not including stops. The Shore Trail is 12.5 miles long and requires at least 6 1/2 hours of hiking, not including stops. (The Shore Trail is more strenuous of the two.) Trails are marked with pale blue, vertical blazes (paint marks), 2" by 4". Some blazes display the initials PHT. One blaze above another indicates a turn in the trail. Blazes on the trails leading up the cliffs from the Shore Trail to Camp Alpine are blue and white--and so are blazes between the Historic Park and the Shore Trail at the south end.

You may hike the trails south to north to south, one at a time or both at once over a weekend, or in segments. You may visit the Historic Park and Its Visitor's Center before or after hiking or on another day altogether.

APPLYING TO HIKE

It's very important to apply for your hiking permit early so your trails information kit arrives well before your hike date. It's far better to postpone your hike than to set out without understanding what you're doing. Thus, you're required to mail the attached application form so it reaches the Northern New Jersey Council office at least three weeks in advance. Note: If you go hiking again at a later date, notify the Northern New Jersey Council, B.S.A. by mail or phone at least three weeks in advance. (You needn't fill out a new application form or credential card.) Remember, too, that you'll need a Local Tour Permit from your own council if your troop is located outside the Northern New Jersey Council.

INFORMATION KIT

Read all the way through the printed material in the information kit you'll receive. Then read through it again. Study the maps.

Share the information with Scouts and Scouters at troop meetings. You, or troop leaders should explain where you're going, why you're going, what you'll see and do. What you'll take along and how long it will take.

Carry the printed material and maps along with you on the hikes; put them in a protective plastic bag.

LEADERSHIP

Adequate leadership means a hike leader 21 or older and assistants who are at least 18, with one leader for each group of 8 to 10 hikers. Large groups of hikers should be divided into small groups in accordance with BSA wilderness policy.

EQUIPMENT

Hikers must be equipped with proper hiking shoes (not sneakers); canteens filled with water; warm clothes; day packs, knapsacks, or musette bags; raingear; food for lunch; paper and pencils; and a first-aid kit (one for each group). No one should carry equipment or bags in his hands. Take care: Poison Ivy grows on both trails.

FITNESS

Hiking the trails is much more than a stroll around the block; make sure all Scouts and Scouters are capable of walking 11 or 12 miles without delaying other hikers. (Practice hikes will help you determine who's prepared.) Out-of-shape and overweight hikers may well cause problems.

TRANSPORTATION:

Make sure you have enough drivers and cars to carry hikers to and from the trails. Drivers may drive into Fort Lee Historic Park free of charge--but only temporarily. They must check In at the gate and show their passes; passes are included In the information kit you'll receive. No all-day parking is permitted at the Park. Limited parking is available at Camp Alpine.

WHEN YOU VISIT FORT LEE HISTORIC PARK:

Arrive at the park between 9:15 and 9:30 a.m. (opening time), if you start there, but please, no earlier.

Present credential cards to the Order of the Arrow representative or park employee, @'ho will sign them, at the Visitors Center.

See the 12-minute film in the auditorium.

Contact one of the Visitors Center employees or the Order of the Arrow representative for a tour of the exhibits.

Fill out your question sheets from the film and exhibits -- but only if you have time enough to do so.

Start your hike by 10:15 if you set out from the Park. To delay is to risk hiking in darkness. Then it's more difficult to follow the trail, where likely you'll have an accident, and almost certainly you'll be more fatigued and hungry than necessary at the end of the trail. (If you suspect you'll be short of time, consider seeing the Park and Visitors Center another day.)

Place litter only in receptacles in the Park and on the trails; otherwise, carry trash out with you. Cut no live plants anywhere. Water is available only In park picnic areas.

EMERGENCY PHONE NUMBER:

To contact the Palisades Interstate Park Police, call 768-1360.

READ THIS NOTE !

Note: It's very important to apply for your hiking permit early so your trails information kit arrives well before your hike date. It's better to postpone your hike than to set out without understanding what you are doing. Thus, you should mail the attached application form at least three weeks in advance.

Moreover, keep in mind that you must provide adequate leadership: a hike leader 21 or older and assistants who are at least 16, with one leader for each group of 8-10 Scouts or Explorers. Large groups of hikers should be divided into similar site groups plus leaders in accordance with the BSA wilderness policy.

The Palisades Historic Trails are closed during December, January and February – and anytime that officials of the Palisades Interstate Park Commission considers them unsafe.

HIGH ADVENTURE BASES

SECTION 4

HIGH ADVENTURE BASES

High Adventure Scouting can be a rewarding experience for the older boys in your troop.

Boy Scouts of America
High Adventure Bases

The Boy Scouts of America operates 6 High Adventure Bases. The bases are in operation the months of June, July and August. The Main High Adventure Area and the Charles L. Sommers Canoe Base also offer winter programs during the months of December through March.

The High Adventure Bases are very popular and tend to fill up early. A September Reservation would be appropriate. For more information on any of the bases, you can write to:

Camping/Outdoor Division
National Office
Boy Scouts of America
1325 Walnut Hill Lane
Irving, Texas 75062-1296

or you can write directly to the High Adventure Bases.

HIGH ADVENTURE OPPORTUNITIES

Philmont Scout Ranch

Cimarron, NM 87714

Philmont is a national camping area, owned and operated by the Boy Scouts of America. Philmont comprises 137,493 acres or about 215 square miles of rugged mountain wilderness in the Sangre de Cristo (Blood of Christ) range of the Rockies. More than 20 staffed camps and 50 un-staffed camps make up Philmont. It has high mountains which dominate the rough terrain with an elevation ranging from 6,500 to 12,441 feet.

Philmont is rich in history of the ancient Indians and the Spanish conquistadors who explored the Southwest long before the first colonists arrived. The rugged mountain men like Kit Carson camped along its trails. Great land barons like Lucien Maxwell built ranches along the Santa Fe Trail, and gold miners seeking fortunes, these men all left their mark at Philmont.

Philmont is also plentiful in wildlife and its natural beauty makes it a place you will never forget.

The program at Philmont offers adventure in the high country in the form of backpacking its hundreds of miles of trails through a vastly different world than we commonly know. Activities include rock climbing, gold panning, burro packing, horseback riding, mountain search and rescue and other activities common to the outdoors.

The fellowship experienced at Philmont is incredible. Scouts on the trail meet other scouts from all over the United States and the world.

The staff at Philmont is composed of the finest individuals of any Scout camp in the world. Philmont receives thousands of applications yearly and accepts 500, who exemplify the type of leadership needed and a love for Scouting and Philmont itself.

Philmont in short is what Scouting is all about. Contact the Council office for information on Philmont.

Northern Tier National High Adventure Programs

Box 509P Ely, MN 55731

Six miles from the Canadian border and Quetico Provincial Park is Charles L. Sommers Wilderness Canoe Base, operations center for Northern Tier. Sommers has its own programs and runs satellite bases in Canada at Bisset, Manitoba, and Atikokan, Ontario. All levels of wilderness canoeing are offered at Northern Tier.

Florida National High Adventure Sea Base

P.O. Box 858, Islamorada, FL 33036

Fish. Scuba dive. Motorboat. At the sea base in the Florida Keys, you can do all that plus visit places pirates once plundered. Other aquatic options include; Coral reef sailing in 50-foot sailboats. Scuba expeditions off Bahamas Out Islands. Even an Out Island adventure: You're put on a remote island with food, water and an instructor, then left to learn primitive island skills. Programs run about seven days.

Maine National High Adventure Area

P.O. Box 607 Howland, ME 04448

In the adventure area's six million acres of mountains, you can see moose, deer, bear and eagles. You can go wilderness canoeing and backpacking. There is lake canoeing, mountaineering, river fishing, and guides to go along.

Adirondack Adventure Area

P.O. Box 350 Dayton, NJ 08810

Also known as Adirondack State Park, these six million acres offer hiking, kayaking, camping, backpacking, sailing, rappelling, water skiing, white water rafting, fishing, and more.

MILITARY BASE CAMPING

SECTION 5

MILITARY BASE CAMPING

Camping on military bases can be a rewarding experience.

There usually is an officer in charge of public relations on every Military Base who will go out of his way to make your stay enjoyable.

Food and lodging on Military bases is cheap and good.

If you make reservations early enough they will put on demonstrations for you.

Listed on the next few pages are a few EXAMPLES, but most Military Bases will accommodate Boy Scout tours or camping. All you need do is call.

If your troop has camped at any of the listed or any other Military Bases, please send this information to the Camp Promotions and Elections Committee of the Order of the Arrow, Hawk Mountain Scout Council.
